

Mac Johnson to be in concert Thursday

The 2002 series of Thursday night outdoor concerts at Market Station will continue at 8 p.m. on Thursday with Mac Johnson in concert.

Johnson, a native of Mississippi who began playing guitar at age 11, will perform some of his original compositions as well as a number of country and folk favorites. He has most recently performed at the Stanly County Senior Center Spring Banquet and the Albemarle Downtown Development Corporation's Volunteer Appreciation Cookout.

There is no admission charge for the concert; however, donations are accepted, with all proceeds going to the performing artist.

Subsequent concerts will be held on July 25 and Aug. 8 and will feature respectively

MAC JOHNSON

Morningstar and Blue Horizon.
